

“Rash Decisions”

A Nurse Practitioners Practical Approach to Dermatology

Wednesday October 30th, 2024

Location: Ampersand 27 10612 82 Ave NW, Edmonton

Time: 6:30pm

Speaker: Dr. Jaggi Rao - MD, FRCPC, Board Certified Dermatologist,
Cosmetic Surgeon, Clinical Professor

Moderator: Eloïse Aubin-Ferrier - NP, MScN, Clinical Trials Manager,
Assistant Teaching Professor, UofA

Objectives:

- Education and practical assistance for Alberta nurse practitioners (NPs) on the identification, basic management, and referral of the following most commonly seen skin conditions: Atopic Dermatitis (AD), Psoriasis, Hidradenitis suppurativa (HS), Urticaria, Alopecia areata, Vitiligo etc
- Discuss strategies to manage increasingly complex dermatology practice
- Introduction and Access to teledermatology platform ConsultDERM™: walk through, web-based telehealth platform designed to provide effective and efficient diagnostic and management assistance to patients.
