

What is Your Patient's Tipping Point ?

WHEN: Tuesday, MAY 27th, 2025 TIME: 600 PM - 830 PM

DELTA HOTEL SOUTH, Top Of The Inn Ballroom - 4404 Gateway Blvd.

MODERATOR: Craig MacAlpine, APA Pharmacist

630 PM – RSV Doesn't Take Summer Vacations

715 PM *Dr. Angel Chu, U of C, Infectious Disease Specialist*

- Examine the individual and societal burden caused by RSV infections in Canada - including Alberta specific prevalence.
- Describe the benefits of maternal vaccination to reduce RSV-related morbidity and mortality in infants.
- Recognize the lack of treatments and the unmet need of RSV vaccination in older adults.
- Review current "Real World" RSV Vaccine Efficacy data, estimated duration of protection and Alberta Public Vaccination program update.

715 PM - Migraine Roadmap: Acute Management

800 PM *Dr. Adam Witt, Community Neurologist, Edmonton*

- Explain the pathophysiology of migraine and differentiate migraine from other forms of headache.
- Educate patients on lifestyle adaptations to reduce environmental triggers and help manage migraine.
- Select appropriate acute therapies to manage migraine based on treatment guidelines.

600 PM - 620 PM Arrival

800 PM - 830 PM Q&A / Panel Discussion
